OUR HISTORY

2025

Anugya, a boutique haven nestled in the heart of Bhopal, opened its doors in early 2025, blending traditional Madhya Pradesh architecture with refined, modern comforts. Inspired by local craftsmanship, its walls feature hand-painted murals and bespoke furniture crafted by regional artisans.

2026

The inaugural season of 2025 welcomed travelers seeking authentic cultural immersion, offering curated experiences—guided heritage walks, classical music evenings, and regional cuisine workshops. Buoyed by glowing reviews, Anugya announced in late 2025 the launch of its next-phase expansion, targeting early 2026:
